### ***HAVE YOUR SAY!***

*We have introduced Yes and No jars in our foyer with the question of the month. Your feedback is important to us, it assists us to reflect on our daily practices and improve in areas that require further reflection. Please feel free to either email us or complete one of our feedback forms, which is*

*located in our foyer on our parent information counter*

### ***January's Question***

*Do you feel each child's current knowledge, ideas and interests are incorporated into our programming?*

*What would you like to see more of in our program?*

## **NURSERY**

Welcome to 2020 Nursery families,

My name is Lovey and I'm the Senior Educator for 2020 for those of you who don't know me I have been in the kitchen and float for the last 2 and a half years within the centre. I'm extremely excited to get to know all the families and little people in the Nursery. If you have any questions or would like to see something new within the room or centre please come and see me.

Until next time Miss Lovey

## **TODDLERS**

A Big Welcome to All The Toddler Families In 2020

Welcome to January, as you all know I, Miss Ashlee have been with the amazing toddlers for a little while now and will be continuing my role as lead educator in the room!

This month we will continue working with the children's skill developments, language development, social and emotional development.

And a heap of group experiences!

We will be welcoming new children to our room, easing transition with the children and families!

Miss Ashlee

## PRE KINDY

Welcome, Welcome, Welcome.

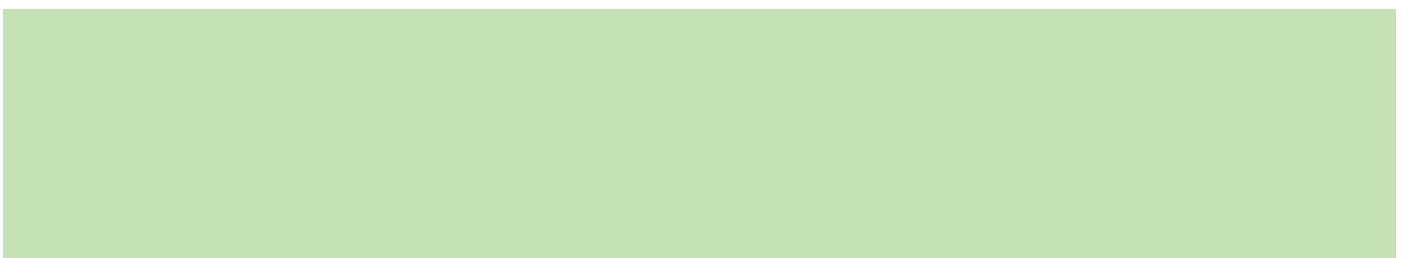

I would like to welcome back all the wonderful Pre-Kindy families and introduce myself. My Name is Emily Clark and I will be taking over from Miss Becky. A little bit of information about me, I am the oldest of Four Girls and I Have Two daughters myself. I have been in Childcare for 10 years and still learning every day, I do have my Advance Diploma in children services. I enjoy my sports and being active and hope to bring that into my room.

You will see a big change within the room, I believe in developing the children's self helps skills. You will notice that there are glass objects in the room, this will be teaching children to be gentle with all our objects and toys. There a science area for children to engage and explore and experiment with. This will be a safe learning environment for children to explore with.

For the first couple of weeks the children will be adapting a slightly different routine and helping all the Junior Kindy children transition to the Pre-Kindy room, The Pre-Kindy children will be coming up with rules for the room for them to follow. We will be using our glass plates and cups for meal times and doing a range of turn taking experiences.

## PRE KINDY BIRTHDAYS

## **KINDERGARTEN**

I would like to welcome both the new and old families to our kindy community in 2020. I am very excited to meet all of the new children that will be transitioning up to the kindy room.

This month we will be getting to know the children and families within our room and setting up a routine and rules within the room. This month we will be continuing with our work with problem solving and developing our fine and gross motor skills.

I would love for all children to bring one photo from home of their family to create a family wall within our room, and to remember to bring water bottles, sheets and hats.

Miss Ashley
