## IMPORTANT INFORMATION FOR FAMILIES

### *For our Families*

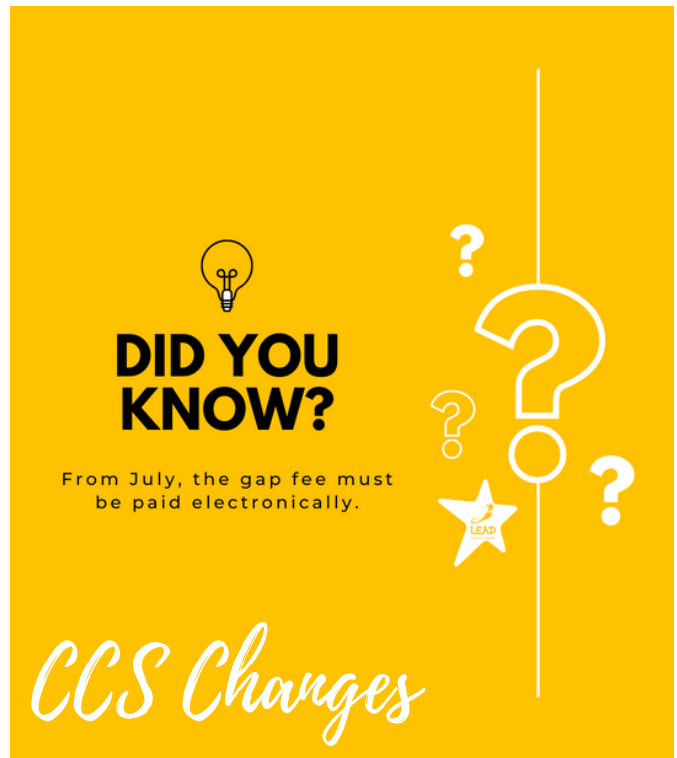

LEAD Childcare proudly and confidently continues to provide our families and children with high quality education and care throughout all of our Services.

With the end of the financial year here, as always we ask our families to submit a new fee schedule which takes into consideration our fee increase.

As an organisation we face the rising costs of day to day necessities such as fresh produce, electricity and staples including nappies and wipes.

We are aware and understanding of the challenges that our families also face, we have kept the increase low to minimise the impact on families.

For more information on the fee increase or updating your fee schedule, please contact your Centre Manager or Parent Support Manager.

Child Care Subsidy is increasing from July 2023.

Use the CCS Calculator at [StartingBlocks.gov.au](https://StartingBlocks.gov.au) to find out what your future rates may be.

If you already get CCS, you don't need to do anything to get the new rates.

If you think you may become eligible from July, make a claim through myGov or the Centrelink App.

# 2023 Brisbane Expo

## CAREERS & EMPLOYMENT

We were thrilled to have had the honour of hosting a stall at this year's Brisbane Careers & Employment Expo in May.

We had an amazing time connecting with so many inspiring individuals and getting to showcase our passion for Early Childhood Education.

We owe a special thank you to our LEAD Childcare and Lead Institute family, who made this event possible.

We were blown away by the response we received at our stand and it was such a pleasure to have met so many wonderful people who showed curiosity and interest in joining our community.

# Under 8's Day

THE IMPORTANCE OF THE EARLY YEARS

## Benefits of learning through play

- ★ Language and literacy development
- ★ Social development
- ★ Positive attitude towards learning
- ★ Imagination and creativity

Under 8's Day is a day that was initiated by Early Childhood Australia, Queensland. It's a day that is dedicated to highlighting how important the early years of a child's life are. Especially in terms of learning and development.

Many of our LEAD Childcare Services Kindergarten children attended their local primary schools to experience different activities and methods of learning through play.

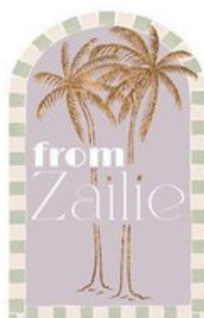

We also had many of our Services host a stall at their local Under 8's Day!

Thank you to Goodna, Caboolture, Southport, Dayboro, Goondiwindi, Rothwell and Woolloowin for attending your local Under 8's Day!

*"The first eight years of development are crucial."*
